

4way FS (intermediate) | VR à 4 (intermediate)

Round 1: M – 7 – N

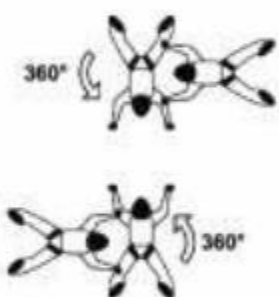

Round 2: 21 – F – H

21

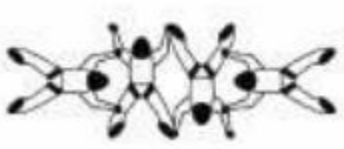

Zig Zag

A diagram showing five acrobats in a zig-zag formation. Three are standing upright, and two are inverted, alternating in a line.

Inter

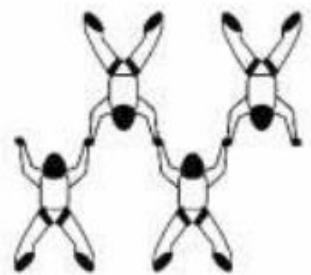

A diagram showing two acrobats in an interlocking formation. One is upright and the other is inverted, with their hands and feet interlocked. Two curved arrows labeled "360°" indicate a full rotation of the formation.

Marquis

A diagram showing five acrobats in a horizontal line. The two outer acrobats are upright, and the three in the middle are inverted.

F

Open Acordian

A diagram showing five acrobats in an 'Open Acordian' formation. Two are upright at the bottom, and three are inverted above them, with the middle inverted acrobat supported by the two upright ones.

H

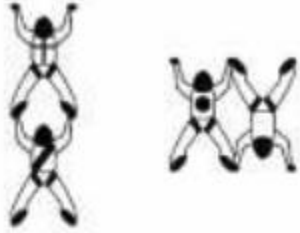

Bow

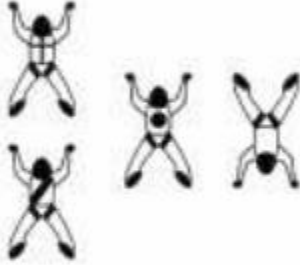

A diagram showing five acrobats in a 'Bow' formation. Two are upright at the bottom, and three are inverted above them, with the middle inverted acrobat supported by the two upright ones.

Round 3: E – 9 – B

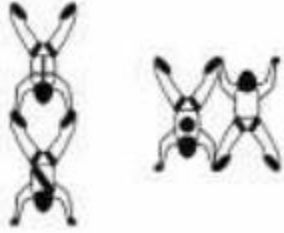

9

Cat+Accordion

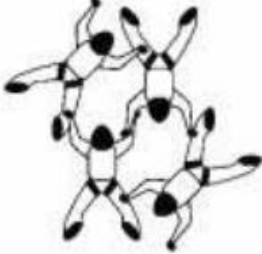

Inter

Cat+Accordion

The diagram shows three stages of a human pyramid. The top stage, labeled '9', shows two people in a 'Cat+Accordion' formation. The middle stage, labeled 'Inter', shows five people in an 'Inter' formation. The bottom stage, labeled 'Cat+Accordion', shows two people in a 'Cat+Accordion' formation.

E

Meeker

The diagram shows a 'Meeker' formation with six people in a circular arrangement, each with one leg raised and touching the hands of the others.

B

Stairstep Diamond

The diagram shows a 'Stairstep Diamond' formation with five people in a diamond shape, each with one leg raised and touching the hands of the others.
